the original essays in this volume discuss ideas relating to democracy political justice equality and inequalities in the distribution of resources and public goods these issues were

as vigorously debated at the height of ancient greek democracy as they are in many democratic societies today contributing authors address these issues and debates about them from both philosophical and historical perspectives readers will discover research on the role of athenian democracy in moderating economic inequality and reducing poverty on ancient debates about how to respond to inborn and social inequalities and on plato s and aristotle s critiques of greek participatory democracies early chapters examine plato s views on equality justice and the distribution of political and non political goods including his defense of the abolition of private property for the ruling classes and of the equality of women in his ideal constitution and polis other papers discuss views of socrates or aristotle that are particularly relevant to contemporary political and economic disputes about punishment freedom slavery the status of women and public education to name a few this thorough consideration of the ancient greeks work on democracy justice and equality will appeal to scholars and researchers of the history of philosophy greek history classics as well as those with an interest in political philosophy

the revised third edition of the oxford classical dictionary is the ultimate reference on the classical world containing over 6 200 entries the 2003 revision includes minor corrections and updates and all latin and greek words in the text are now translated into english

plato s dialogues one by one interprets and contextualizes each of plato s dialogues victorino tejera analyzes and explains the content and intellectual quality of the dialogues highlighting their dramatic aliveness and historico political allusiveness he treats each dialogue according to its own integrity not imposing any system outside of their individual composition and with an even handedness that does not place too much emphasis on any aspect or neglect any included concept with this approach tejera seeks to free plato from the constraints constructed by academia and to treat him as the open minded intellectual son of socrates releasing the free flying swan that in the myth became the home of the soul of the master
